Creeds of Christendom Volume 3: The Evangelical Protestant Creeds - Enhanced Version By Philip Schaff

In 1876, this three volume collection of cross-denominational creeds and confessions was deemed by its publisher a "symbolical library" well worth visiting. Volume III is dedicated to the Lutheran, Anglican, Calvinistic, and later Protestant Confessions of Faith. Schaff's third volume is the first publication to compile the Modern Protestant Creeds, a rare group of documents containing the Congregational, Baptist, and Presbyterian Confessions. It also includes the Quaker Confession, the Easter Litany of the Moravians, and the Methodist Articles of Religion. This book is an excellent resource for comparative analysis, as Schaff provides the documents in their original languages alongside their English translations. Through Creeds of Christendom, Schaff aims to bring understanding to those who adhere to different creeds. He wisely reminds us that despite varying Christian denominations, Christ always remains at the center of the creeds.

Emmalon Davis
