Editorial Review

Amazon.com Review
This massive thriller pits a scheming prince of the Church who believes he was once Alexander the Great against the Addison brothers--Harry, a Hollywood lawyer, and Danny, a Vatican priest. It seems that Danny had the bad luck to hear another cardinal's confession outlining a heinous plot to poison China's water supply in order to win the Vatican bankers a multi-billion-dollar contract to rebuild it--and of course to take advantage of the opportunity to convert a quarter of the world's population and ensure the Church's world domination into the next century. Spanning the globe from Vatican City to Beijing, from Los Angeles to Switzerland, the action never stops. And whenever it seems to falter for more than a paragraph, someone among Folsom's picaresque cast of minor characters (a nun, a dwarf, a CIA station chief, a beautiful television journalist, and an African poet, among others) turns up just in time to give it a nudge. The narrative is not as fluid as it could be, and the plot might have been devised by a conspiracy theorist with a taste for chaos physics, but fans of Folsom's intense novel *The Day After Tomorrow* won't be disappointed. --*Jane Adams*

From Publishers Weekly
A world-famous assassin, a power-hungry villain, a beleaguered hero, a plot to take over the largest country on earth. Folsom's frantically paced follow-up to his bestselling The Day After Tomorrow throws together all the raw materials of a first-rate thriller and proves that ingredients alone do not a meal make. Four days after Cardinal Rosario Parma is assassinated in Rome, hotshot L.A. entertainment lawyer Harry Addison gets a frantic phone message from his estranged brother, Danny, a Vatican priest. Shortly thereafter, Harry hears that Danny has died in a bus explosion. When he flies to Rome to claim the body, he discovers that Danny is the prime suspect in Parma's murder?and that he's still alive. The novel then follows two parallel plots. Harry tries to find Danny and clear his name; meanwhile, the sinister Cardinal Umberto Palestrina, who thinks he's the reincarnation of Alexander the Great, plots to make China the site of a new Holy Roman Empire. It's that Alexander the Great touch that pushes an already teetering story line over the edge, where everything is explained by shorthand (the estrangement between the Addison brothers) or circular logic (Palestrina is feared and powerful because he inspires fear and wields power). There's a lot of action, mostly to hide the fact that the cardboard characters generate as little sympathy as the thousands of Chinese deaths that are Step One in Palestrina's master plan. Instead of being disturbing or controversial, Folsom's mix of religion and politics approaches comic-book parody. Agent, Aaron Priest.

From Library Journal
Can you imagine a diabolical scheme hatched by the highest powers in the Vatican to create a new Holy Roman Empire in China, secretly exerting its influence over this huge nation through intimidation and mass murder, thereby becoming the greatest superpower on earth? That's the plot Los Angeles lawyer Harry Addison discovers after his brother Daniel, a priest in Rome, dies in a suspicious bus explosion after being accused of murdering a cardinal. When Harry arrives in Rome to claim his brother's body, he immediately becomes a prime suspect in several murders and is forced underground while he attempts to clear his name. Can Harry expose the Vatican's evil plans before he is captured or killed? Folsom (The Day After Tomorrow, LJ 3/15/94) has produced another whirlwind romp that crisscrosses the globe with intrigue, and if you can ignore the somewhat preposterous premise, it's great fun. For popular collections.

From reader reviews:

Alicia Gentry:

The reason why? Because this Day of Confession is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such incredible way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your expertise and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the publication store hurriedly.

Jacquelyn Lopez:

Day of Confession can be one of your beginner books that are good idea. Most of us recommend that straight away because this book has good vocabulary that will increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort to set every word into delight arrangement in writing Day of Confession yet doesn't forget the main level, giving the reader the hottest along with based confirm resource data that maybe you can be certainly one of it. This great information could drawn you into new stage of crucial considering.

Patricia Carter:

Is it anyone who having spare time then spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Day of Confession can be the reply, oh how comes? The new book you know. You are consequently out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

David George:

Don't be worry should you be afraid that this book can filled the space in your house, you could have it in e-book means, more simple and reachable. This specific Day of Confession can give you a lot of good friends because by you taking a look at this one book you have factor that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This reserve offer you information that might be your friend doesn't learn, by knowing more than additional make you to be great people. So , why hesitate? We need to have Day of Confession.
