Elsevier's Integrated Review Pharmacology E-Book: with STUDENT CONSULT Online Access By Mark Kester, Kelly Dowhower Karpa, Kent E. Vrana

Effectively merge basic science and clinical skills with Elsevier's Integrated Review Pharmacology, by Mark Kester, PhD, Kelly Dowhower Karpa, PhD, RPh, and Kent E. Vrana, PhD. This concise, high-yield title in the popular Integrated Series focuses on the core knowledge in pharmacology while linking that information to related concepts from other basic science disciplines. Case-based questions at the end of each chapter enable you to gauge your mastery of the material, and a color-coded format allows you to quickly find the specific guidance you need. Online access via www.studentconsult.com is included with your purchase. This concise and user-friendly reference provides crucial guidance for the early years of medical training and USMLE preparation.

- Spend more time reviewing and less time searching thanks to an extremely focused, "high-yield" presentation.
- Gauge your mastery of the material and build confidence with case-based, USMLE-style questions that provide effective chapter review and quick practice for your exams.
- Access to www.studentconsult.com where you'll find an interactive community center with a wealth of additional resources!

- Grasp and retain vital concepts more easily thanks to a color-coded format, succinct bulleted text, key concept boxes, Top Five lists, and dynamic illustrations that facilitate learning in a highly visual approach.
- Effectively review for problem-based courses with the help of text boxes that help you clearly see the clinical relevance of the material.

Editorial Review

Review

"This is an excellent pharmacology textbook which is very readable and well-illustrated. It is both clear and concise and would be helpful for any student who likes pharmacology which is explained in as learnable a way as possible. The 'integrated' idea could perhaps have been expanded upon but, nevertheless, it remains an excellent pharmacology text and one which I would recommend to my fellow colleagues."

BMA Awards - Highly Commended (last edition)

Users Review

From reader reviews:

Michael Wickham:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite book and reading a book.
