MKSAP 17 General Internal Medicine From American College of Physicians

The 17th edition of Medical Knowledge Self-Assessment Program (MKSAP(R) 17) is specifically intended for physicians who provide personal, nonsurgical care to adults. Included are: general internists and primary care physicians; subspecialists who need to remain up-to-date in internal medicine; residents preparing for the Certification Exam in internal medicine; physicians preparing for the Maintenance of Certification Exam in internal medicine. The learning objectives of MKSAP(R) 17 are to:* Close gaps between actual care in your practice and preferred standards of care, based on best evidence.* Diagnose disease states that are less common and sometimes overlooked and confusing.* Improve management of comorbid conditions that can complicate patient care.* Determine when to refer patients for surgery or care by subspecialists.* Pass the ABIM Certification Examination and the ABIM Maintenance of Certification Examination.M KSAP(R) 17 General Internal Medicine offers insights on interpretation of the medical literature, routine care of the healthy patient, patient safety, professionalism and ethics, palliative care, chronic pain, acute and chronic cough, chronic fatigue, diziness, insomnia, syncope, chest pain, peripheral oedema, musculoskeletal pain, dyslipidemia, obesity, men's health, women's health, eye disorders, ear, nose, mouth, and throat disorders, anorectal disorders, mental and behavioural health, geriatric medicine, and perioperative medicine. It includes 168 multiple-choice questions.

Users Review

From reader reviews:

Frances Small:

Here thing why this MKSAP 17 General Internal Medicine are different and trustworthy to be yours. First of all examining a book is good nevertheless it depends in the content of the usb ports which is the content is as delicious as food or not. MKSAP 17 General Internal Medicine giving you information deeper and different ways, you can find any book out there but there is no book that similar with MKSAP 17 General Internal Medicine. It gives you thrill reading journey, its open up your own eyes about the thing that will happened in the world which is probably can be happened around you. You can bring everywhere like in park your car, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of MKSAP 17 General Internal Medicine in e-book can be your alternate.

Sophia Myers:

It is possible to spend your free time you just read this book this publication. This MKSAP 17 General Internal Medicine is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have much space to bring typically the printed book, you can buy often the e-book. It is make you much easier to read it. You can save the book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

Otto Tejeda:

Is it an individual who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This MKSAP 17 General Internal Medicine can be the response, oh how comes? A fresh book you know. You are so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Gale Velez:

That reserve can make you to feel relax. This kind of book MKSAP 17 General Internal Medicine was bright colored and of course has pictures around. As we know that book MKSAP 17 General Internal Medicine has many kinds or style. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading in which.
