Red Lily (In the Garden, Book 3) By Nora Roberts

Three women learn that the heart of their historic home holds a mystery of years gone by, as #1 *New York Times* bestselling author Nora Roberts brings her In the Garden trilogy to a captivating conclusion.

A Harper has always lived at Harper House, the centuries-old mansion just outside of Memphis. And for as long as anyone alive remembers, the ghostly Harper Bride has walked the halls, singing lullabies at night…

Hayley Phillips came to Memphis hoping for a new start, for herself and her unborn child. She wasn't looking for a handout from her distant cousin Roz, just a job at her thriving In the Garden nursery. What she found was a home surrounded by beauty and the best friends she's ever had—including Roz's son Harper. To Hayley's chagrin, she has begun to dream about Harper—as much more than a friend…

If Hayley gives in to her desire, she's afraid the foundation she's built with Harper will come tumbling down. And that wouldn't be the only consequence, since her dreams are tangled up with Roz and the nursery. Hayley will have to put the past behind her to know her own heart again—and to decide whether she's willing to risk it…

Editorial Review

From Booklist
Hayley loves her life in Memphis: her precious baby girl, Lily, her job at the In the Garden nursery, and her close friendships with her boss, Roz, and coworker Stella. Hayley isn't about to risk all this on the chance that Roz's son, Harper (his mother's last name), might be interested in her. But when her desire for Harper finally proves to be too strong to resist, Hayley discovers not only that Harper feels the same about her but also that everyone is delighted to see them together. In fact, the only one who seems upset by her new relationship is the "Harper Bride" ghost, who, after nearly a century of unthreatening behavior, is suddenly turning violent. Now if Hayley wants her budding romance to flourish, she must find a way to root the Harper Bride out of all of their lives. The consistently excellent Roberts brings her In the Garden trilogy to a spooky, sexy conclusion with this spellbinding romance that beautifully celebrates the power of love in all its guises. *John Charles*

Review
“America’s favorite writer.”—*The New Yorker*

"This trilogy has built to a magnificent crescendo that doesn't disappoint. The characters in this multibook drama are real and rational, even if they are facing unreal circumstances. Pitch-perfect Roberts!"—*RT Book Reviews*
