Some Thoughts on Scouts and Spies: Based upon the experiences of the author and historical observation By Gerry Barker

It takes someone who has really done it to make sense of the nuts and bolts of scouting in hostile territory. This analysis is based on the lives and experiences of frontiersmen like Sam Brady and Simon Kenton in the Kentucky and Tennessee Indian wars. Included are the methods of silent movement, concealment, organization, equipment and internal signals. These techniques are timeless and have been the mainstays of scouts for thousands of years. The focus is on making them work.

"**Some Thoughts on Scouts and Spies** is not a book to read once. Instead readers will keep referring back to this book to expand their knowledge. It is a book for those those who want to improve their skills in hunting. It is a book for those who have become involved with the reenacting hobby, and find themselves studying and doing 'Historical Archaeology.' For all of them, this book will serve as a manual on the "Scouting" trade."
- **Ray H. Swenson**, MA - History
Instructor and Visiting Lecturer of Colonial American History,
Rock Valley College
Senior Lieutenant, Rogers' Cadet Company of Rogers' Rangers

Editorial Review

About the Author
Gerry Barker blends historical research with living history experiments and real life adventures. After a career in the U. S. Army which included sixteen years in Special Forces assignments in the United States, Europe and Asia, he threw himself into the field of history pursuing academic degrees at the University of Wisconsin and working as both volunteer and employee at museums. He began an interest in living history during an assignment in Germany and this became his passion. His present research is into the skills of living on the Eastern Colonial frontier in Tennessee & Kentucky

Users Review

From reader reviews:

Carmen Hamm:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each e-book has different aim or perhaps goal; it means that e-book has different type. Some people feel enjoy to spend their time and energy to read a book. They are reading whatever they acquire because their hobby is definitely reading a book. Why not the person who don't like reading a book? Sometime, particular person feel need book whenever they found difficult problem or exercise. Well, probably you will want this Some Thoughts on Scouts and Spies: Based upon the experiences of the author and historical observation.

David Scott:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Some Thoughts on Scouts and Spies: Based upon the experiences of the author and historical observation.

Jeffrey Call:
