The Mighty Book of Boosh By Julian Barratt, Noel Fielding

Join Howard Moon, Vince Noir, Naboo, Bollo, Bob Fossil, Old Gregg, the Moon, and all your other favorite characters on a unique and graphically stunning journey into the world of *The Mighty Boosh*

Incredibly funny, visually dynamic, surreal, musical, and wildly creative, *The Mighty Boosh* is unlike anything else on television, and this beautifully illustrated humor book promises to be the same. *Boosh* art director Dave Brown—aka Bollo the gorilla—has designed countless graphics based on *Boosh* jokes, including a poster for the Howard vs. kangaroo boxing match and a vintage Penguin-looking book cover for *Howard Moon's Trumpet Full of Memories*. Other artists have illustrated such essentials of the *Boosh*-iverse as the a cappella songs known as crimps and the eclectic hairstyles. Every *Boosh* fan will love Old Gregg's Baileys-fueled watercolors, Vince's Excuses for Being Late, and Bob Fossil's Guide to Dance.

Editorial Review

Review

"Something quite special . . . peculiar and magical . . . Stories, comic strips and new insights into the Boosh world make this a must-have for any devotee." —Time Out

"Occasionally, a comedy show enters the public consciousness so far as to become a 'cultural resource.' It happened in the 1960s and 70s with Monty Python*, and now with* The Mighty Boosh . . . The Mighty Book of Boosh *is beautifully produced, with a graphic design sensibility, and, above all, funny . . . Photos, drawings, illustrated "crimps" and comic strips nod towards TV episodes but spiral off into graphic delirium . . . The joy of a joke is in the telling, and the examples collected here are delivered with an impeccable level of stupidity."* —Eye: The International Review of Graphic Design

"Every page is something vivid, wacky, and different than the prior page. I absolutely loved it." —boingboing.net

"Goes beyond a throrough reference guide . . . its fresh, hilarious, and brilliantly put together material will make any Boosh *fan love the show all the more."* —booshusa.com

"If there had ever been a collaboration between David Bowie, Anthony Burgess, and Maurice Sendak, author of Where the Wild Things Are*, it might have turned out something like this."* —Observer

About the Author

Julian Barratt and **Noel Fielding** started *The Mighty Boosh* in 1998 as a live show, winning the Perrier Award for the Best Newcomer at the Edinburgh Fringe Festival. Commissioned to write a *Boosh* radio show, they then made the transition to television and produced three critically acclaimed seasons of *The Mighty Boosh* for BBC, shown in the United States on Cartoon Network's *Adult Swim* in 2009. Barratt and Fielding have been commissioned by the BBC to write a full-length feature film.

Users Review
