The Secret Mistress By Emma Darcy

One more night…

Tricked into believing Luis Angel Martinez was committed to marrying another woman, and convinced he had drawn her into being his secret mistress, Shontelle had ended their affair, declaring he'd been no more to her than an interesting Latin lover.

Two years on, Luis wasn't married and he was the only man who could get her brother's tour group out of danger…in exchange for one more night with her. But what would it be—a night of **truth**, **love** or **vengeance**?
