Warlords, Inc.: Black Markets, Broken States, and the Rise of the Warlord Entrepreneur From North Atlantic Books

Combining path-breaking research and analysis from leading political scientists, advisors to heads of state, and award-winning academics, *Warlords, Inc.* pulls back the curtain on the secretive world of drug cartels and violent insurgencies, revealing their inner workings and implications for a world driven by unrelenting change and growing political uncertainty. These essays show how, as the complexities of modern geopolitical pressures mount, the world's elaborate but fragile political systems are becoming increasingly vulnerable to breakdown and deliberate disruption. The authors demonstrate that as infrastructures such as IT networks, global supply chains, and financial markets become increasingly volatile, the stability of entire populations hangs in the balance.

Warlords, Inc. traces the evolution of forces that are reshaping the future of the geopolitical landscape: Mexican drug cartels, revolts in the Middle East and Africa, military conflicts in Eastern Europe, the growth of slums and street gangs in India, and the proliferation of cyber-attacks and drone warfare. The contributors demonstrate how the underworld of the global economy thrives, how it disrupts and maintains power, and why, looking toward the future, we should all be paying attention.

CONTENTS

1. Of Warlords and Rodeos: What Happens When Nothing Works?
2. Social and Economic Collapse: Lessons from History and Complexity
3. Innovation, Deviation and Development: Warlords and Proto-State Provision
4. Sovereignty, Criminal Insurgency, & Drug Cartels: The Rise of a Post-State Society
5. From Patronage Politics to Predatory States:Crime and Governance in Africa
6. Warlord Governance: Transition Towards, or Coexistence with, the State?
7. 5GW: Into the Heart of Darkness
8. Weaponizing Capitalism: The Naxals of India
9. Mexico's Criminal Organizations: Weakness in Their Complexity, Strength in Their Evolution
10. The Politics of a Post-Climate-Change World: Pyongyang, Puntland, or Portland?

11. Bringing the End of War to the Global Badlands
12. The White Hats: A Multitude of Citizens
13. Beyond Survival: A Short Course in Pioneering Responses to Present (and Future) Crises

Editorial Review

Review
"Absolutely gripping… The focus is on the importance of non-state actors—whether they are hackers, Wall Street corporations, Afghan tribal leaders, or Indian left-wing insurgents—in the modern geopolitical landscape. The authors look at how these actors disrupt the modern economy, provide pseudo-governmental services, and figure into both contemporary globalization and possible future changes brought about by climate change and regional instabilities.…While such a wide-ranging collection can provide only the beginning of insight into these complex topics, it will ably serve to whet the intellectual appetites of its readers." —***Publishers Weekly***

"This important and terrifying book should be read by everyone who cares about the future of human civilization." **—Anatol Lieven, author of *Pakistan: A Hard Country***

About the Author
ANDREW TRABULSI is a consultant and entrepreneur who focuses on technology and economic development policy. Based in San Francisco, his work and research has included technology capacity building with indigenous communities in the Amazon rainforest, community development work with the Federal Reserve Bank, innovation consulting with Deloitte LLP, and analysis of the REDD+ carbon finance programme. NOAH RAFORD works as an advisor to the United Arab Emirates Prime Minister's Office, where he provides policy and strategy advice on a range of special projects. Previously he helped design, develop and manage the nation's first foresight and scenario planning unit. He has consulted with governments, NGOs and private corporations around the world on a range of issues related to foresight, urbanism, risk, governance, policy, and strategy.

Users Review

From reader reviews:

Shirley Glover:

Spent a free a chance to be fun activity to complete! A lot of people spent their sparetime with their family, or all their friends. Usually they undertaking activity like watching television, going to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Could possibly be reading a book may be option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the e-book untitled Warlords, Inc.: Black Markets, Broken States, and the Rise of the Warlord Entrepreneur can be fine book to read. May be it might be best activity to you.

Beverly Dyar:

Do you really one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try and pick one book that you find out the inside because don't judge book by its handle may doesn't work at this point is difficult job because you are scared that the inside maybe not while fantastic as in the outside

look likes.
