What Is Lightbody By Tachira Tachi-ren, Archangel Ariel

The true author of this book is the Archangel Ariel and it is channeled through Tashira Tachi-ren. It is a brief but powerful guide for lightworkers. From the introduction:

“When we look at you, we see you as vast, multidimensional beings. There’s just a little bit of you in this body, thinking that you are all of it. Some of you are getting an inkling that’s not so. We see you at all dimensions, in the vastness of who you are.
From our viewpoint, because you are reading this, you are a Lightworker and you are here with a job to do. You are here to assist in the transition of planet Earth into Light. You’ve done it countless times before and you are an expert in your field.
This book presents you with a model which describes what’s going on in this process for this planet. It is not truth. It is not real, because when you are attempting to describe a multidimensional, non-linear model, it’s impossible to describe it in the English language. But we’re going to do our very best. If at times it bounces around, bear with it, because the process itself is not exactly linear. It’s a lot more like music.

Now the only way we can present this model is linearly. We have attempted to do it non-linearly and everyone goes brain-dead. We hope that you can feel the shifts you’re going through. We know that if your mental body can say, “Ah, this is part of eighth level of Lightbody,” it eases the secret fears. There is a need for this informa¬tion to go out because the fear level is so very high, especially com¬ing from the physical and mental bodies. If you know what’s happen¬ing to you and know that it’s part of a coherent process, then you feel less crazy.”
