Editorial Review

About the Author
Called the "DaVincis of LEGOS," Mario and Giulio Ferrari are world-renowned experts in the field of LEGO Mindstorms robotics.
Mario Ferrari received his first Lego box around 1964, when he was 4. Lego was his favorite toy for many years, until he thought he was too old to play with it. In 1998 the Lego Mindstorms RIS set gave him reason to again have Lego become his main addiction. Mario believes Lego is the closest thing to the perfect toy. He is Managing Director at EDIS, a leader in finishing and packaging solutions and promotional packaging. The advent of the MINDSTORMS product line represented for him the perfect opportunity to combine his interest in IT and robotics withhis passion for LEGO bricks, which started during his early childhood. Mariohas been a very active member of the online MINDSTORMS community from the beginning, and has pushed LEGO robotics to its limits. Mario holds a bachelor'sdegree in business administration from the University of Turin. He is fluentin many programming languages and his background includes positions as an ITmanager and as a project supervisor. Mario estimates he owns over 60,000 Lego pieces. Mario works in Modena, Italy.
Giulio Ferrari is a student inEconomics at the University of Modena and Reggio Emilia, where he also studied Engineering. He is fond of computers and has developed utilities, entertainment software, and web applications for several companies. Giulio discoveredrobotics in 1998, with the arrival of MINDSTORMS, and held an important place in the creation of the Italian LEGO community. He shares a love for LEGO bricks with his oldest brother, Mario, and a strong curiosity for the physical and mathematical sciences. He studies, works, and lives in Modena, Italy.

Users Review

From reader reviews:

Jack Baldwin:

Information is provisions for people to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider when those information which is in the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you have it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take 10 Cool LEGO Mindstorms Robotics Invention System 2 Projects: Amazing Projects You Can Build in Under an Hour as your daily resource information.

Effie Morris:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how

to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this 10 Cool LEGO Mindstorms Robotics Invention System 2 Projects: Amazing Projects You Can Build in Under an Hour.

Kathy Ahmed:

Reading can called mind hangout, why? Because if you are reading a book especially book entitled 10 Cool LEGO Mindstorms Robotics Invention System 2 Projects: Amazing Projects You Can Build in Under an Hour your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely can become your mind friends. Imaging every word written in a reserve then become one form conclusion and explanation that maybe you never get just before. The 10 Cool LEGO Mindstorms Robotics Invention System 2 Projects: Amazing Projects You Can Build in Under an Hour giving you one more experience more than blown away your head but also giving you useful details for your better life on this era. So now let us teach you the relaxing pattern this is your body and mind will probably be pleased when you are finished looking at it, like winning a. Do you want to try this extraordinary spending spare time activity?

Courtney Osteen:

Does one one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try to pick one book that you never know the inside because don't determine book by its cover may doesn't work at this point is difficult job because you are scared that the inside maybe not as fantastic as in the outside search likes. Maybe you answer might be 10 Cool LEGO Mindstorms Robotics Invention System 2 Projects: Amazing Projects You Can Build in Under an Hour why because the excellent cover that make you consider about the content will not disappoint you. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.
