Achieve PMP Exam Success: A Concise Study Guide for the Busy Project Manager, Updated January 2016 By Diane Altwies, Janice Preston

This book has been FULLY updated to reflect PMI's changes to the *PMP Exam Content Outline--June 2015*, and is intended for all PMP exams taken AFTER January 11, 2016. Includes free test bank access!

This proven best-selling study guide, used in conjunction with PMI's *PMBOK Guide Fifth Edition* (2013), presents all the fundamental knowledge, concepts, exercises, and practice exam questions a project manager needs to prepare for and successfully pass the Project Management Professional (PMP) Certification Exam on the first try, while cutting study time in half.

Achieve PMP Exam Success, Fifth Edition (Updated January 2016) provides free online access for 45 days to over 1300 practice questions, including hundreds of situational questions, enabling users to perform PMP practice tests by knowledge areas and/or simulate actual 200 question exams, and receive feedback on incorrect answers. (Note: This access begins when you register for the test bank, not when you purchase the book.) Directions for accessing this test bank can be found in the WAV section of the publisher's website at jrosspub.com/wav. Readers will use the serial number on the inside front cover of the book to complete registration. This serial number can only be entered once per book so used copies may not still have access to the test bank. Additionally, direct access to the test bank only can be purchased for 45 or 90 days at jrosspub.com.

KEY FEATURES:

--Covers all subjects addressed on the PMP Exam, including the comprehensive performance domain and cross-cutting knowledge and skills defined within the PMI *PMP Examination Content Outline--June 2015* and the *PMI Code of Ethics and Professional Conduct*
--Provides free online access to over 1300 practice questions, including hundreds of situational questions, enabling users to perform practice tests by knowledge areas and/or simulate actual 200 question exams, and receive feedback on incorrect answers

--Details key topics, concepts, and techniques from PMI recommended readings, eliminating the need for additional resources
--Presents a pre-assessment test to help users develop a focused study plan; tips for studying, time management, and taking the exam; and a post-assessment test to evaluate readiness for the actual exam
--Supplies things you need to know, key definitions, and sample exam questions and answers, and features a case study that runs throughout with exercises and suggested solutions to reinforce concepts and build real competency
--WAV offers downloadable flashcard study aids of key terms and concepts, a training aide, and a self-study exercise on understanding the interdependencies of all the processes defined in the PMBOK Guide -- **available from the Web Added Value Download Resource Center at jrosspub.com**
