By Reason of Insanity By Randy Singer

After a series of kidnappings and murders in Virginia Beach, newspaper reporter Catherine O'Rourke experiences disturbing dreams that detail each crime. In an effort to aid the investigation, she shares them with her confidential source—a detective working on the case. Catherine's intimate knowledge of the crimes immediately makes her a prime suspect. When scientific evidence corroborates her guilt, she's arrested and charged with murder. As she begins to doubt her own innocence, Catherine turns to Las Vegas lawyer Quinn Newberg, a high-priced specialist in the insanity defense. Quinn believes in justice, Vegas-style. But he doesn't believe in the supernatural, or that Catherine's dreams are anything other than the result of a fractured personality disorder. *Who can understand the human mind?* Quinn knows that insanity cases are unpredictable, but nothing had prepared him for *this!* To win, or even survive, Quinn will need more than his famed legal maneuvering and biting skepticism. On this case, he needs a miracle.

Editorial Review

From Publishers Weekly
Inspirational suspense novelist Singer (Directed Verdict) hooks readers from the opening courtroom scene of this tasty thriller, then spurs them through a fast trot across a storyline that just keeps delivering. Catherine O'Rourke is a seasoned reporter who covers trials for Norfolk, Virginia's The Tidewater Times. The latest sexual abuse case she covers hits a little too close to home, and she has a series of disturbing "visions" that suggest first-hand details of the crimes. Soon she finds herself on trial as the "Avenger," a Bible-quoting serial killer. Are her visions spiritual? Or does she have a split personality? She's unsure of her innocence or guilt-and so are her lawyers, including the likeable high-rolling Vegas attorney, Quinn Newberg, who is famous for his insanity defenses. Singer tosses out plot twists with abandon, shattering readers' assumptions but rarely straining their credulity. The characters' lives unpeel like onions, with layers of interesting revelations. Christian faith plays a role in the "visions" but never feels forced. Smooth point of view changes, snappy dialogue, interesting details and unexpected humor enrich the storyline. Like the best suspense novels, the character development is sophisticated enough that readers won't know the villain's identity until the final pages.

From Booklist
How did crime reporter Catherine “Cat” O’Rourke wind up in prison? It starts with “visions” involving victims of a high-profile kidnapping, twin children adopted by the family of a well-connected defense attorney. In her first vision, Cat sees the children being executed. Nightmares? Maybe, but why do they occur when Cat is awake? She seems to know so much information about the missing children (and other grisly crimes) that she becomes the key suspect. Could Cat possibly have an alter ego committing these heinous acts? Enter defense attorney Quinn Newberg, who recently invoked the insanity defense to get his own sister acquitted for murder. Quinn decides this will be Cat’s defense as well, even though the evidence suggests otherwise. At the center of the heart-pounding action are the moral dilemmas that have become Singer’s stock-in-trade. In addition to scrutinizing the insanity defense from an ethical point of view, Singer offers similar appraisals of the death penalty and vigilante justice. This is inspirational fiction, but it isn’t didactic or preachy, and it’s an exciting thriller all on its own. --Mary Frances Wilkens

The author explained their strategy in the simple way, thus all of people can easily to be aware of the core of this e-book. This book will give you a great deal of information about this world now. So you can see the represented of the world on this book.

Amanda Furr:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this By Reason of Insanity can make you truly feel more interested to read.

Michael Santiago:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from your book. Book is composed or printed or outlined from each source this filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just trying to find the By Reason of Insanity when you essential it?
