How Zoe Made Her Dreams (Mostly) Come True By Sarah Strohmeyer

Like Meg Cabot, Sarah Strohmeyer has a gift for creating smart, funny girls teen readers love. She's done it again with Zoe, heroine of her latest romcom.

In YA novel *How Zoe Made Her Dreams (Mostly) Come True*, Zoe learns there is a dark core under the glittering façade of the fairy-tale themed amusement park (cough, Disneyland, cough) where she's a summer intern. For starters, her boss has a blacker heart than Snow White's stepmother, and the other interns are worse backstabbers than Cinderella's step-sisters.

On the upside, she has the chance of romance with a real-life Prince Charming, and a shot at winning a big heap of cash. If she can just live through a summer in the Fairyland Kingdom.

Editorial Review

From School Library Journal
Gr 7-10-Zoe Kiefer, 17, and her cousin, Jess, are interns at Fairyland Kingdom, an over-the-top theme park in New Jersey. These internships are coveted, with the princess and prince roles going to those teens who had spent thousands of dollars attending prestigious Fairyland summer camps. Jess gets cast as a Little Red Riding Hood and Zoe is tasked with being the demanding Queen's personal assistant (aka slave). Zoe worries that these subpar positions won't put them in the running for the Dream and Do grant, a $25,000 prize that both girls desperately need. As Zoe runs around Fairyland fetching the Queen's meager breakfast (three almonds, two grapefruit slices cut into thirty pieces, and a yolk-free egg), walking her malevolent bichon frise, and charting poor Cinderella's weight gain, she discovers that the internship is not without its drama. Most of the interns would do just about anything to win the prize money, including selling out Zoe to the Queen. But when she is rescued by a charming prince, she must determine where her loyalties lie-with the Queen and the Fairyland she's loved since her youth, or with the boy who's captured her heart. Zoe is a likable protagonist and her narration is sharp and witty. The Queen, with her posh vocabulary and insane demands, rivals that of Miranda Priestly in The Devil Wears Prada. This clever, happily-ever-after story will charm fans of Meg Cabot and make new ones of Strohmeyer.-Kimberly Garnick Giarratano, Rockaway Township Public Library, NJα(c) Copyright 2013. From Booklist
When is being in Fairyland not a dream come true? When Fairyland is an amusement park, and your summer internship requires playing lady-in-waiting to the unpredictable queen, keeping her caviar-eating bichon frise out of the Forbidden Zone, and guarding your back from conniving fellow interns as you all scramble toward a $25,000 grant to be awarded at the end of the summer. Zoe Keifer has her eyes on that grant—in the hopes of handing it over to her cousin, Cinderella-wannabe Jess—and she is sure she can win it if she can just convince her boss that she has the required “Wow” spirit. Because the title reveals that Zoe’s dreams (mostly) come true, there is no real suspense as to the ending of the book. But the journey there is fun. Fairy-tale elements are evident not just at the amusement park but in Zoe’s own life, as she nabs herself a Prince Charming and a fairy godmother, too. Zoe is smart enough to pull off the seemingly impossible—and sweet enough to deserve it. For fans of rom-coms everywhere. HIGH-DEMAND BACKSTORY: Strohmeyer is a best-selling author whose books include The Cinderella Pact, which became the Lifetime movie Lying to Be Perfect. National marketing plans include a “Make Your Dreams (Mostly) Come True” social-media campaign. Grades 7-10. --Kara Dean

Review
Praise for HOW ZOE MADE HER DREAMS (MOSTLY) COME TRUE: "Strohmeyer's humorous details about the park itself (royal characters get better quarters than "Ordinary Cast Members," and princes are given exclusive access to a pheromone-rich cologne) provide a lively, unconventional backdrop as Zoe's emotional wounds slowly begin to heal." Publisher's Weekly.

Praise for HOW ZOE MADE HER DREAMS (MOSTLY) COME TRUE: "The chatty tone of Zoe's narration is pitch-perfect, laced as it is with teen humor and obsessions with relationships, clothing and makeup. The narrative ends in a madcap maelstrom of conflicting interests, improbable revelations and multiple personality changes in which believability is cheerfully sacrificed in the interest of allowing Zoe's dreams to (mostly) come true." Kirkus.

“For fans of roms-coms everywhere.” (ALA Booklist)

Praise for SMART GIRLS GET WHAT THEY WANT: ” In her YA debut, adult author Strohmeyer (Kindred Spirits) excels at exploring the bonds of friendship and the complications of teenagers’ lives.
