Microshelters: 59 Creative Cabins, Tiny Houses, Tree Houses, and Other Small Structures By Derek "Deek" Diedricksen

If you dream of living in a tiny house, or creating a getaway in the backwoods or your backyard, you'll love this gorgeous collection of creative and inspiring ideas for tiny houses, cabins, forts, studios, and other microshelters. Created by a wide array of builders and designers around the United States and beyond, these 59 unique and innovative structures show you the limits of what is possible. Each is displayed in full-color photographs accompanied by commentary by the author. In addition, Diedricksen includes six sets of building plans by leading designers to help you get started on a microshelter of your own. You'll also find guidelines on building with recycled and salvaged materials, plus techniques for making your small space comfortable and easy to inhabit.

Editorial Review

Review

“Author Derek Diedricksen zeroes in on the DIY art of small living in his new book, Microshelters. What he finds is a highly motivated, occasionally eccentric community of hobbyists who challenge themselves to pack tons of functionality into spaces that are barely bigger than parking spots.”
