The Money Game By Adam Smith

"This is a modern classic." —Paul A. Samuelson, First American Nobel Prize Winner in Economics

"The best book there is about the stock market and all that goes with it." —*The New York Times Book Review*

"Anyone whose orientation is toward where the action is, where the happenings happen, should buy a copy of **The Money Game** and read it with due diligence." —*Book World*

" 'Adam Smith' is a veteran observer and commentator on the events and people of Wall Street.... His thorough knowledge of financial affairs gives his observations a great degree of authenticity. But the joy of reading this book comes from his delightful sense of humor. He is a lively and ingeniously witty writer who never stoops to acerbity. None of the solemn, sacred cows of Wall Street escapes debunking." —*Library Journal*

About the Author
"**The Money Game**, written by one who signs himself 'Adam Smith' (and who some believe is Harvard-and-Oxford-trained George J. W. Goodman), is a modern-day classic. Like many modern paintings, the book looks simple. But as W. Somerset Maugham said about an unforgettable Mondrian abstraction: 'It looks as though you had only to take a ruler, a tube of black paint and a tube of red, and you could do the thing yourself. Try!' "—Professor Paul A. Samuelson, First American Nobel Prize Winner in Economics.

"Everyone who is anyone in U.S. investment already knows about 'Adam Smith,' " wrote *Newsweek*. 'Adam Smith' is also the author of **Supermoney** and **Powers of Mind**.

Users Review

From reader reviews:

John Caldwell:

Reading a book tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this The Money Game.

Tisha Betancourt:

Do you have something that you want such as book? The guide lovers usually prefer to select book like comic, small story and the biggest one is novel. Now, why not attempting The Money Game that give your

entertainment preference will be satisfied through reading this book. Reading practice all over the world can be said as the method for people to know world a great deal better then how they react when it comes to the world. It can't be claimed constantly that reading behavior only for the geeky person but for all of you who wants to always be success person. So , for all you who want to start examining as your good habit, you may pick The Money Game become your starter.

Wilma Tovar:

What is your hobby? Have you heard which question when you got students? We believe that that question was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And you also know that little person like reading or as examining become their hobby. You have to know that reading is very important along with book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You find good news or update concerning something by book. A substantial number of sorts of books that can you go onto be your object. One of them is actually The Money Game.

Jeffrey Channell:

Reading a publication make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is prepared or printed or descriptive from each source in which filled update of news. In this particular modern era like currently, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the The Money Game when you desired it?
