From the Author
Hi my name is Benji Bennett and thanks for stopping for a moment. I was inspired to write this book by my beautiful and forever wonderful little boy Adam who was take from me when he was 4. Knowing I could never read to him, hold him, go on adventures with him or tell him I love him I began to think about how I could help encourage parents to spend more time with their children and tell them they love them at the end of each day. The feedback I have had of the impact this book has had on their family is truly humbling and gives me such strength and belief to continue my work to try and make the world a happier environment for children to grow up in. I truly hope that when you read this book you feel your family has been gently touched by an angel and brings you many happy memories filled with love hugs and kisses to share with your children. As I write this my daughter Molly is calling up the stairs to take her to scouts so gotta dash. Wishing you health and happiness, Benji
