Handbook of Literary Rhetoric: A Foundation for Literary Study By Heinrich Lausberg

Lausberg's *Handbook of Literary Rhetoric*, here made available for the first time in English, received high critical acclaim on its first publication in 1963. It is a monumental work of extraordinary erudition, organisation and comprehensiveness, and enjoys unrivalled authority in its formal description of rhetorical techniques. The present edition is a translation of the second edition of 1973, which was reprinted in 1990. The *Handbook* has for many years been a standard reference work for all engaged in the study of literature and rhetoric. This translation will ensure its accessibility to a new generation of students of rhetoric.

Editorial Review

Review
'..".this English translation needs no recommendation. The only issue here is the quality of the translation - and it is uniformly excellent.'
Edgar Krentz, "Religious Studies Review, 2000.
From the reviews of the German edition:
'"Lausberg's two-volume work is a testimony to tremendous industry, encyclopedic knowledge, and the power to order tightly and systematize. It offers an exhaustive inventory, that is, a taking stock of not only the theoretical rhetoric of antiquity (including of the French), of the formal poetical, linguistic-architectonic phenomena and rules, aspects and concepts of rhetoric drawn from the cultivated language of the great masters, but of the whole technique of manipulating language.'
H. Wolf, "Muttersprache 72, 1962.
'..".the extraordinary usefulness of the immense work which L. has produced by critically incorporating the entire bulk of ancient rhetoric.'
W. Kraus, "Romanische Forschungen 75, 1963.
'"It merits sincere admiration, how the Professor of Romance Languages and Literature at the University of M]nster...has immersed himself in the broad field of ancient rhetoric in a way which makes his Handbook..".a welcome tool, useful equally to philologists of the classical as well as modern languages.'
W. Schmid, "ASNS 200, 1963.
'"In addition to its more literary approach, the virtues of Lausberg's Handbuch" include the author's judgment, its wide historical span, its clear organization, and its extensive indices. Lausberg's Handbuch" has been the reference work to which I first turn for technical information about rhetoric, and I have been recommending it to my students and readers of my books for over thirty years. It has, however, never attained in the English-speaking world the status of a basic reference tool that it deserves. Thus the appearance of an English translation is a happy event for rhetorical studies.'
George A. Kennedy, from the foreword.

Heinrich Lausberg (1992), was Professor of Romance Languages and Literature, University of Munster, from 1949 until his move to the Padagogische Hochschule, Paderborn, in 1972. His other publications include *Elemente der Literarischen Rhetorik* (1949) and *Romanische Sprachwissenschaft* (1956)."

Users Review

From reader reviews:

Mary Tillman:

The book Handbook of Literary Rhetoric: A Foundation for Literary Study can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the best thing like a book Handbook of Literary Rhetoric: A Foundation for Literary Study? Several of you have a different opinion about book. But one aim in which book can give many facts for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or data that you take for that, it is possible to give for each other; you could share all of these. Book Handbook of Literary Rhetoric: A Foundation for Literary Study has simple shape nevertheless, you know: it has great and big function for you. You can look the enormous world by wide open and read a reserve. So it is very wonderful.

Ronda Caesar:

Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write with their book. One of them is this Handbook of Literary Rhetoric: A Foundation for Literary Study.

Jonathan McLean:

It is possible to spend your free time to see this book this book. This Handbook of Literary Rhetoric: A Foundation for Literary Study is simple to create you can read it in the area, in the beach, train in addition to soon. If you did not have got much space to bring the actual printed book, you can buy often the e-book. It is make you much easier to read it. You can save often the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Steven Deloatch:

Within this era which is the greater man or who has ability in doing something more are more special than other. Do you want to become among it? It is just simple way to have that. What you need to do is just spending your time little but quite enough to enjoy a look at some books. One of many books in the top collection in your reading list is definitely Handbook of Literary Rhetoric: A Foundation for Literary Study. This book which can be qualified as The Hungry Inclines can get you closer in getting precious person. By looking way up and review this book you can get many advantages.
