How to Analyze Financial Statements By Dr. N Ramachandran, Dr Ram Kumar Kakani

"Finance Made Easy Series has been designed to cater to managers and executives with little understanding of finance and little time to read treatises on financial management. Hence, the series seeks to demystify apparently complex financial statements and help create a finance-savvy executive class—the key to fiscally sound and successful businesses. A lucid, creative and concise exposition of financial statements, their components, jargon and computational methods along with short stories and numerical examples makes for an engaging reading for busy professionals. How to Analyze Financial Statements focuses on Financial Statements, which are timely account of the financial situation of an enterprise. The book covers: • Overview and importance of financial statements • Steps involved in analyzing financial statements • Different type of analyses • Comparison using financial ratios • Solved illustrations and exercises Using simple language and short stories to set the stage and tone for theoretical discussions, this book helps non-finance executives make sense of jargon-laden financial statements of their firms."

Users Review

From reader reviews:

Peter Schmidt:

Have you spare time for a day? What do you do when you have more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their very own spare time to take a stroll, shopping, or went to the actual Mall. How about open or perhaps read a book eligible How to Analyze Financial Statements? Maybe it is to get best activity for you. You recognize beside you can spend your time using your favorite's book, you can wiser than before. Do you agree with the opinion or you have some other opinion?

Sheila Foxworth:

The reason why? Because this How to Analyze Financial Statements is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who have write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book get such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I were being you I will go to the publication store hurriedly.

Bennett Fox:

Your reading 6th sense will not betray you actually, why because this How to Analyze Financial Statements book written by well-known writer we are excited for well how to make book which might be understand by anyone who else read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your hunger then you still skepticism How to Analyze Financial Statements as good book not merely by the cover but also from the content. This is one book that can break don't

evaluate book by its cover, so do you still needing a different sixth sense to pick that!? Oh come on your studying sixth sense already told you so why you have to listening to yet another sixth sense.

Carlos Thornton:

What is your hobby? Have you heard this question when you got learners? We believe that that issue was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you know that little person such as reading or as looking at become their hobby. You need to understand that reading is very important and book as to be the point. Book is important thing to add you knowledge, except your teacher or lecturer. You will find good news or update with regards to something by book. Many kinds of books that can you choose to use be your object. One of them is this How to Analyze Financial Statements.
