Lucy Sullivan Is Getting Married By Marian Keyes

What happens when a psychic tells Lucy that she'll be getting married within the year? Her roommates panic! What is going to happen to their blissful existence of eating take-out, drinking too much wine, bringing men home, and never vacuuming?

Lucy reassures her friends that she's far too busy arguing with her mother and taking care of her irresponsible father to get married. And then there's the small matter of not even having a boyfriend.

But then Lucy meets gorgeous, unreliable Gus. Could he be the future Mr. Lucy Sullivan? Or could it be handsome Chuck? Or Daniel, the world's biggest flirt? Or even cute Jed, the new guy at work?

Maybe her friends have something to worry about after all....

Editorial Review

From Publishers Weekly
Lucy Sullivan, the eponymous heroine of Irish writer Keyes's second offbeat romantic comedy to be published in the U.S. (after Watermelon), fancies herself simultaneously miserable and happy. A 26-year-old Londoner, Lucy is the kind of woman who thinks that any man who's decent to her must be Mr. Wrong. But when she visits a fortune-teller with a trio of mismatched friends, a marriage is predicted for the near future. When the fortune-teller's prophecies for the other three come true in peculiar ways, even disbelieving, boyfriendless Lucy begins to suspect that, somehow, wedding bells will ring for her. The identity of the lucky man will come as no surprise, though Lucy remains oblivious until the very end, but there are many eligible bachelors on the scene, among them Gus, Lucy's sexy but unreliable new lover; Daniel, her oldest friend; Chuck, a handsome American; and Adrian, the video shop man. The attendant mayhem includes drunken meals at ethnic restaurants, flamenco dancing accidents, blind dates gone wrong and many delicious confessions and revelations. As Lucy says, "I was still at that stage in my life when I thought that weekdays were for recovering from the weekend," but more often than not, her weekdays are as full of exhausting fun as her weekends. Surprisingly for a comic novel, the book also takes on the serious themes of clinical depression and alcoholism, handling both with sensitivity and humor. Throughout, the effervescent narrative is fueled by witty repartee; though its outcome may be predictable, its sentiments are heartfelt, and its progress is sprightly. Fans of Bridget Jones will be delighted. Agent, Russell Galen of Scovil Chichak Galen. (Aug.) Holiday.

From Library Journal
Following the successful Watermelon, the Irish-born, London-based Keyes introduces us to Lucy, luckless in love but destined (according to a tarot card reading) to be married within the year.

From Booklist
Lucy Sullivan is stuck in a humdrum life: a boring, dead-end job, no prospects for love, and roommates with far more interesting lives than her own, as far as she can tell. Then she meets up with Gus, an adorable Irish musician, whose cheerful ramblings and drunken adventures sweep her off her feet. Lucy is giddy, completely in love, and even feels as though she's finally experiencing as much excitement as her pals. Then things get even better when her best friend Daniel begins to date her roommate Karen--now she has even more to tease him about. But soon it all unravels: Gus drifts away, and her parents' marriage comes to an abrupt end. Daniel stays steadfastly by her side as she realizes some uncomfortable truths about her life, but he could never replace Gus in her heart. . . or could he? Keyes' tale is both hilarious and suspenseful, and so warmly told it feels just like comfy girltalk with a cherished friend. *Alexandra Shrake*

Users Review

From reader reviews:

Frances Carpenter:

The book Lucy Sullivan Is Getting Married make one feel enjoy for your spare time. You need to use to make your capable more increase. Book can to become your best friend when you getting stress or having big problem together with your subject. If you can make examining a book Lucy Sullivan Is Getting Married
