Mahabharata By R. K. Narayan

The Mahabharata, together with the other great Sanskrit epic, the Ramayana, embodies much of the cultural and religious heritage of India. This prose version of the epic elegantly narrates the great war between the Kauravas and the Pandavas, and tells of the warriors, kings, saints, and goddesses caught up in the romance and drama of family intrigue. With diversity of plots and themes—including the philosophical teachings of the Bhagavad Gita—the Mahabharata has entertained and influenced Indian audiences for nearly 2,000 years.

El Mahabharata, junto con el otro gran poema épico Sánscrito, el Ramayana, representa mucha de la herencia cultural y religiosa de la India. Esta brillante interpretación que viene abreviada y en prosa, narra la gran guerra entre los Kauravas y los Pandavas, y evoca los guerreros, reyes, santos y dioses que hicieron papeles en este drama cósmico monumental. Con su diversidad de tramas y temas—incluyendo las enseñanzas filosóficas del Bhagavada Gita—el Mahabharata ha entretenido e influido al público de la India desde hace hasta 2,000 años.

Users Review

From reader reviews:

Keith Smith:

Book is definitely written, printed, or highlighted for everything. You can understand everything you want by a book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A publication Mahabharata will make you to end up being smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think that will open or reading the book make you bored. It's not make you fun. Why they may be thought like that? Have you seeking best book or ideal book with you?

William Medellin:

The experience that you get from Mahabharata could be the more deep you rooting the information that hide inside the words the more you get considering reading it. It does not mean that this book is hard to comprehend but Mahabharata giving you thrill feeling of reading. The author conveys their point in selected way that can be understood through anyone who read that because the author of this publication is well-known enough. This kind of book also makes your own personal vocabulary increase well. Therefore it is easy to understand then can go together with you, both in printed or e-book style are available. We advise you for having this specific Mahabharata instantly.

Heather Wade:

Many people spending their time frame by playing outside having friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by examining a book. Ugh, ya think reading a book will surely hard because you have to take the book everywhere? It okay you can have the e-book, taking everywhere you want in your Cell phone. Like Mahabharata which is keeping the e-book version. So , try out this book? Let's see.

Lewis Farnsworth:

Is it an individual who having spare time in that case spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Mahabharata can be the answer, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?
