**The Sussex Devils: A True Story of the 1980s Satanic Panic** By Marc Heal

In 2012, Marc Heal stumbled across a yellowed newspaper cutting about Derry Knight: a man who claimed that he belonged to a secret Satanic group operating at the highest levels of British society. Helped by John Baker, vicar of the Sussex village of Newick, Knight had falsely raised large sums from wealthy gentry on the pretext of destroying powerful items of Satanic regalia. Heal threw away the cutting but it made him deeply uneasy. Why could he remember nothing about the Knight affair even though he had grown up at its epicenter? Why did he know so much about the people in the story and yet recalled so little about it? Finally, he faced up to the reason for the blank: the trial had taken place in the weeks immediately after the defining trauma of his life. In December 1985, an elder from his parents' evangelical Christian church attempted an exorcism on him, believing he was possessed by demons. Based on extensive interviews with all the surviving witnesses, this book explores the truth behind Derry Knight and the devastating effects that evangelical Christianity had on one young man.
