Whispers and Lies By Joy Fielding

Terry Painter enjoys her quiet life in tranquil Delray, Florida, where the single, forty-year-old nurse lives alone in the house she inherited from her mother. When young, vibrant Alison Simms rents the cottage on her property, the two women strike up a fast friendship -- and Terry is swept into a fantastic new life: dinners out, shopping, makeovers, even flirting with the handsome son of one of her elderly patients. But nothing about her newfound companion is as it appears, as Terry discovers when Alison's closely guarded past comes to light. Now Terry is locked into a race to reclaim her own life -- before she opens the door any further to the stranger she thought she knew...

Editorial Review

From Publishers Weekly
An ending worthy of Hitchcock rewards readers able to weather the false clues and emotional angst of Fielding's latest page-turner. Once again, the bestselling author (Grand Avenue; The First Time; Missing Pieces; etc.) tests the complex ties that bind friends and family, and keeps readers wondering when those same ties might turn deadly. Since Terry Painter's mother died five years before, the single 40-year-old nurse has been renting out the cottage behind her Florida home. When an appealing young woman calling herself Alison Simms arrives from out of town, Terry offers her not only the cottage but also her friendship. Alison pries into Terry's personal belongings, brings home rude young men, tells lies about her job and family and pops up everywhere unexpectedly and uninvited, while Terry's inner critic, in a voice sounding much like her mother's, fuels her suspicions. Threatening phone calls from a man who seems to know a lot about Terry and the tenant who occupied the cottage before Alison add to her growing paranoia. Despite these worries, Terry finds time to get involved with the son of one of her patients, an elderly woman named Myra. Careless, friendly Alison and responsible, guarded Terry are a study in contrasts, but as the novel progresses, Fielding makes it clear that they both have secrets to hide. The brutal denouement will shake readers lulled by the tale's cozy trappings, but those familiar with Patricia Highsmith's particular brand of sinister storytelling will recognize the mayhem Fielding so cunningly unleashes.

From Booklist
Veteran novelist Fielding, whose previous book (*Grand Avenue* [BKL Ag 01]) was a domestic melodrama, delivers another page-turner, this time a suspense novel with a shocking plot twist. Nurse Terry Painter is so kind she is considered a godsend by her elderly patients. When she rents out the cottage behind her house to a new tenant, Alison Simms, Terry begins to feel that her benevolent nature has made her an easy target. Alison seems especially interested in Terry's financial standing, and her extensive questioning makes Terry uneasy. Furthermore, every time they get together for a meal, Terry seems to become violently ill. Is someone tampering with her food? She is also being harassed by a mysterious caller who seems to think she knows the whereabouts of a previous tenant. When Alison's creepy brother comes to visit, Terry becomes afraid for her own life. As Terry plans a retaliatory strike against those who would harm her, Fielding delivers a plot turn so surprising that all previous events are thrown into question. The author keeps the tension high and the pages turning, creating a chillingly paranoid atmosphere. *Joanne Wilkinson*

Review
Sun-Sentinel (Ft. Lauderdale, FL) A very satisfying page-turner.

Booklist Fielding delivers another page-turner...a suspense novel with a shocking twist.

Users Review
