Woven By Michael Jensen, David Powers King

Two unlikely allies must journey across a kingdom in the hopes of thwarting death itself.

All his life, Nels has wanted to be a knight of the kingdom of Avërand. Tall and strong, and with a knack for helping those in need, the people of his sleepy little village have even taken to calling him the Knight of Cobblestown.

But that was before Nels died, murdered outside his home by a mysterious figure.

Now the young hero has awoken as a ghost, invisible to all around him save one person -- his only hope for understanding what happened to him -- the kingdom's heir, Princess Tyra. At first the spoiled royal wants nothing to do with Nels, but as the mystery of his death unravels, the two find themselves linked by a secret, and an enemy who could be hiding behind any face.

Nels and Tyra have no choice but to abscond from the castle, charting a hidden world of tangled magic and forlorn phantoms. They must seek out an ancient needle with the power to mend what has been torn, and they have to move fast. Because soon Nels will disappear forever.

Editorial Review

From School Library Journal
Gr 6–9—A quarrelsome princess and a handsome ghost connect with sorcerers, conjurors, and witches as they seek an enchanted Needle to stitch the world back together. Nels, a peasant lad seemingly dead at the hands of an evil Fabricator, must join forces with petulant Tyra, princess of Avërand, in order to restore himself to life. The mismatched pair stumble into danger, adventure, and love as they discover nothing is as it seems in their quest to preserve the kingdom. The premise behind this mythical world is creative: a great tapestry into which everything in all of the worlds is woven, supported and protected by weavers with magical skills to keep the threads from unraveling. The execution, however, is not always successful: characters with insufficient depth or backstory and dialogue that occasionally seems too modern for the world in which it is spoken. While many fantasy readers may prefer the works of Terry Pratchett and Diana Wynne Jones, there are those who will enjoy the world-building, magic, action, and trace of romance found in this novel, which leaves the door open for sequels. VERDICT An entertaining but slight fantasy for libraries with ample budgets.—Sharon Grover, Hedberg Public Library, Janesville, WI

Review
"This brisk adventure from first-time authors Jensen and King is a charming quest tale in classic fantasy tradition." - Publisher's Weekly

"WOVEN reads like a lost classic that was somehow just rediscovered. It has the feel of a comfortable, familiar blanket that's somehow been newly-made of the brightest, most original material possible, and it is pure pleasure to read." - James A. Owen, bestselling author & illustrator of *Here, There Be Dragons*

"The worldbuilding is dynamic, original and intriguing ... and the characters, appealing. A sure bet for high-fantasy fans." - Kirkus Review

"It's not often that you read a fantasy that feels as epic and original as Woven by King and Jensen. Clever, well-paced, and full of intrigue, it's a superb read. Highly recommended." –James Dashner, bestselling author of *The Maze Runner*.

Users Review

From reader reviews:

Nydia Kelly:

Your reading sixth sense will not betray you actually, why because this Woven reserve written by well-known writer who really knows well how to make book that could be understand by anyone who have read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your hunger then you still skepticism Woven as good book not simply by the cover but also through the content. This is one reserve that can break don't ascertain book by its handle, so do you still

needing yet another sixth sense to pick this particular!? Oh come on your studying sixth sense already said so why you have to listening to another sixth sense.

Shad Broussard:

Many people spending their period by playing outside using friends, fun activity along with family or just watching TV all day every day. You can have new activity to invest your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Touch screen phone. Like Woven which is getting the e-book version. So , try out this book? Let's observe.

Patricia Howard:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book had been rare? Why so many query for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book but additionally novel and Woven or perhaps others sources were given expertise for you. After you know how the truly great a book, you feel wish to read more and more. Science reserve was created for teacher or even students especially. Those ebooks are helping them to include their knowledge. In other case, beside science e-book, any other book likes Woven to make your spare time much more colorful. Many types of book like this.

Paige Robinson:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Woven can make you experience more interested to read.
